(1) The chief recommendation of the present site is that it is convenient and centrally situated for the main city and that it is much nearer than the first site to the High Ground, Seshadripuram and Malleswaram extensions. It was on these considerations that the re-building was resolved upon. If I remember correctly, the present Inspector General was also consulted on the matter and agreed in this view. pb I think that the question of constructing a High School for girls should be definitely decided soon The rebuilding of the Present Govt School building was settled upon after considerable investigation, but it has been stopped apparently under order of the Dewan, with the intention of having it in the Fort. Subject —

Construction of a building for a High School for girls at Bangalore

---

97 In connection with providing suitable accommodation for the Government Girls' School at Chikpet the Inspector General of Education proposed the acquisition of certain properties -- near the school as additional grounds were required for a new building These proposals were sanctioned in Government Order No 2358-8/Edn 443-11-3 dated 18th September 1912

L

98 But before the acquisition was completed, and the construc tion of the building sanctioned, the Inspector General reported on 25-6-1914 that a site opposite to the Police Station in the Fort had been allotted for the new building for the Government Girls' School and that therefore the acquisition of the properties already ordered was unnecessary

K

99 On enquiry, I learn that during a personal discussion with the Dewan, the Deputy Chief Engineer suggested the suitability of the site in the Fort for the Girls' School, and that plans and proposals have accordingly been submitted by him under the

28

Dewan's orders, but the matter was not placed duly before the Education Department of Government before this alteration of site was decided upon

A 100 In Government Order No 414-26/Edn 152-13-7 dated 10th -- July 1914 passing orders on the improvement of Female Education in the State the raising of the Bangalore Girls' School to the Upper Secondary Standard has been sanctioned It is therefore urgently necessary to select one of the sites and construct a building soon

101 As regards the site, however, I am of opinion that if the old site is abandoned at all, a part of the grounds (Kitchatty Chattram) acquired near the Central College, may be utilised for the purpose as it will be more convenient for all parts of the City

102 The site in the Fort is in my opinion too far away from the High Ground Seshadripuram and Malleswaram extensions and is not therefore centrally situated I may also note that the northern extensions of the City are being placed at a --- disadvantage by all new public institutions and other convenience being massed towards the southern extensions It is desirable in the interests of these places, that there should be a fair distribution of such conveniences between different parts of the City

29

103 The other Members are however in favour of the site in the Fort

H. Mayneddaya

First Member of Council

Dated 19/4/15

Submitted to His Highness

N 104 I submit herewith a final note by the First Member of Council on the selection of a site for the High School for girls in Bangalore

105 2 The First Member considers that if the old site is abandoned the building should be constructed on the site of the Kitchetty's Chattram near the Central College, on the ground that it will be convenient for all parts of the City He adds that the northern extensions of the City (Malleswaram and Seshadripuram) are being placed at a disadvantage by all new public institutions being massed towards the southern extensions

H 106 3 The matter was considered by the Council who prefer the plot of ground opposite the Police Station in the Fort

107 4 The recommendation of the Council may be sanctioned

In the matter of the proposes acquisition
of Sree Karisiddeswara Swamy Mutt Door
No 60 Taluk Cutcherry Road 2nd Division
Bangalore City

The undersigned Sree Siddaveeraswamy of the aforesaid Sree Karisiddeswara Swamy Mutt, Setties, Yajamans and other devotees of the Mutt beg to state as follows -

1 That Sree Karisiddeswara Swamy Mutt near Dodapet Chowk is a very ancient Mutt belonging to the Veerasaiva Community held in high respect and veberation by all its devotees who are scattered all over the Province and out-side such as, Dharwar Bellary & other parts

2 That the Mutt owes its origin and sanctity to the existence of a Yoga Samadhi or Sacred Tomb of one -- Sree Karisiddeswara Swamy who lived some 3 or 4 humdred years back and who was well known for his piety and austurity

3 • That the said Sree Karisiddeswara Swamy is alleged to have entered into a state of Samadhi while alive and a tomb ಗದ್ದಿಗೆ——is erected thereon which is held in high veneration and sanctity with daily worship and offerings That while Gaddiges or tombs of persons who have entered into a state of samadhi in a state of ಮೋಕ್ಷಪ್ರಾಪ್ತಿ ——(salvation of after death) are looked upon with respect

respect and regard it is needless to say that greater scantity is attached to Gadiiges of those who have entered into Samadhi in a state of ಕೈವಲ್ಯ (salvation) while alive) In fact the Mutt in question has a shrine of the later kind which to this day enjoys a greater reputation of being a holy place much frequented by various classes of people who come to offer their vows and receive blessings

4 That the Mutt enjoys an Inam land granted by the Government for the upkdep of the Institution and daily worship of the shrine

5 That the Mutt is a branch of the Sri Jagadguru Murugha Rajendraswami ~~Mutt~~ of Chitaldroog who supervises the affairs of the Mutt with the help and co-operation of Setties, Yejamans and other devotees of the Mutt in this place The sannads and title deeds relating to the Mutt and its origin are at present with thr Sri Murugha Rajendra Swami ~~Mutt~~ at Chitaldroog and will be produced later on

6 That the Mutt is a structure consisting of the aforesaid shrine of Sri Karisiddeswaraswami which forms the chief sanctum sanctorium of the Institution and four rooms attached to it for purposes of worship and residence of the Swami and a Hall in which a Sanskrit School is maintained There is also a backyard attached to the Mutt

7 That the Mutt being one of the few Virakta Mutts belonging to the Veerashaiva Community in the Bangalore City it is very much resorted to for spiritual purposes by its members who are sufficiently large numbers

8 That the Mutt cannot be acquired by the Government and used for any other purpose owing to the existence of the Yoga Samadhi of ~~the~~ sacred shrine of the saint Sri Karisiddeswara Swami The Said Shrine is not like that of any ordinary

idol

set up in a temple which can be removed and installed at any other place The shrine being a Yoga Samadhi is irremoveable according to Hindu Sacred Scriptures and it is a well-known belief among all classes of -- Hindus that any molestation to such a Samadhi or Gaddige will be attended with disasterous consequences to the Country and its people The Inam is granted by Government to this Mutt with the express object of maintaining and worshipping the said sacred shrine and as such the removal of the shrine will amount to a frustration of the said object with/which the grant is made Under the circumstances the removeal of the shrine means the extinction of the institution itself with the sacredness attached to it

9 That as the Mutt consists of the structures as menticned in para 6 it is evident that no profit is derived from the building in the shape of rent or other profit except what is derived by offerings from devotees to the shrine or Gaddige (Yoga Samadhi) The undersigned Sree Siddeswaraswamy who now looks after the management of the Mutt and administering to the spiritual wants of the members of the of the Veerasaiva Community in Bangalore is a Sanyasi living in the Mutt depending for his maintenance on the offerings made to the shrine and a few lands attached thereto Therefore the object of the undersigned in bringing to your honour's notice the impossibility of removing the Institution is apparently not with any mercinary or pecuniary motive but with the sole object of saving a sacred shrine which is held in high respect and veneration for hundreds of years by the members of the Veerasaiva Community

10 That the other structures attached to the shrine as mentioned in para 6, form part and parcel of the institution making them also equally impossible - to acquire since they are necessarily required for the -- worship and maintenance of the Shrine or Caddige

11 The undersigned therefore humbly submitthat for the foregoing reasons the Mutt cannot be acquired for any other purpose and that therefore thay humbly pray that it may be removed from the list of lands mentioned in 5876 / Sec 443-11-7 dated 1/2/53 of Government Notice

Sir

With reference to your letter No 8581/Edn 443-11-9 of the 25th April 1913 calling for a report in the matter of a petition to Government by Siddaveeraswami of Siddesvara Mutt and the Lingayats in the Bangalore city requesting that the Mutt may be removed from the list of sites authorized to be acquired for the use of the Government Girls School at the place I have the honour to inform you that on my inspection of the Mutt and other buildings proposed to be acquired, I have found that the mutt building is a stone structure and it would be expensive to dismantle it Even if it should be pulled down, no useful purpose would serve for the school for the present I am of opinion therefore that only a portion of the Mutt as marked in the enclosed plan will suffice in addition to the other buildings shown on the sketch These properties are now valued at Rs 2410-11-11 according to the valuation statement forwarded by the President of the Municipal Council Bangalore city I request that Government may be pleased to approve of the acquisition of the properties as shown in the enclosed plan The valuation statement referred to above is also forwarded herewith for reference

SIR

With reference to Government Order No 7228-30/Edn 443-11-14 of the 24th January 1914 sanctioning the acquisition of the shops and other properties under the Land Acquisition Regulation for the use of the Government Girls' School Bangalore I have the honour to inform you that a site opposite to the Police Station in the Fort Bangalore having been allotted for the new building sanctioned for the Government Girls' School I am of opinion that it is not worth while to incur a heavy expenditure on the properties ordered to be acquired I beg to propose therefore that the question of the acquisition of the shops and other properties referred to may be dropped The present building of the School would however be used with such repairs ~~for~~ as may be needed for the Primary School that will be maintained in this part of the City
